

Dear Alumni,

As a member of the community, you know our school is a source of great community pride. You'll agree that our schools help define our city. The students and staff members of our school continue to achieve and make our community better. However, the community does not always know about the great things that happen every day in our school.

In an effort to foster and develop pride, prestige, and partnership among alumni, students, and community and to promote the value of education as well as a legacy for Air Force School, we are starting an Alumni Association. We are using the term "alumni" very loosely. We do not want to exclude people; we want to include *anyone* who has a connection to our school! All graduates, parents of graduates, and former staff members are welcome to join the Alumni Association.

The bottom line is that we want keep the citizens of Air Force School connected to their school! Become the part of the Air Force School Alumni Association, you can download the Alumni Registration Form from Air Force School webpage <http://www.afsjammu.co.in>.

Print the Alumni Registration Form, Fill out the information, email us back to afsjammu1@gmail.com and make sure that you allow us to contact you. We hope this facilitates an easier means of class reunions, We will regularly be recognizing new members, announcing different community and school events, and becoming more connected!

If you are interested in helping keep our schools connected with our community by joining the Executive Committee, please contact us. We need volunteers and are open to any ideas you may have. We are excited to grow and look forward to your support!
